Name of person or organization who gave the gift or benefit : **PARRISH & HEIMBECKER**

Date received: **2025/04/13**

Description of gift or benefit: **TICKET TO WINNIPEG JETS NHL GAME**

Circumstances under which gift or benefit was received: **I was invited to meet with stakeholder relations personnel and management officials of Parrish and Heimbecker (P&H) in their suite at the Winnipeg Jets game at Canada Life Centre on Sunday, April 13. The reason P&H wanted to host elected officials is because they are making a significant effort across the country to have a more pro-active relationship with all of the governments they deal with (as well as municipalities) in the provinces they operate in. In the past P&H has been a quiet participant in the industry, however as their organization has grown, the impacts of policy decisions, trade relationships, etc. have had a larger impact on the company as well as the industry. The intent of the meeting was to strengthen P&H's relationship in a casual setting to have a more open two-way dialogue as all of us collectively work through ongoing challenges like, tariffs, droughts, etc. Discussions also centred around the company's grain handling and crop input facilities across rural Manitoba, their human resource needs, as well as how tariffs might affect the grain industry moving forward. Elected municipal officials from my constituency and across the province were also in attendance and I had the chance to discuss local issues and provincial affairs with the reeves and councillors.**
