Member Name: Wab Kinew

Constituency: Fort Rouge

Accepted Date: 2025/03/24

The following information was provided to Ethics Commissioner after the travel was taken

Departure Date: 2024/11/18

Return Date: 2024/11/18

Departure location: Vancouver

Destinations: Winnipeg

Name of person or organization providing the travel: Winnipeg Blue Bombers

Reason for travel: To come home from the Grey Cup

Are alternative methods of travel available? Yes

Why are the alternative methods of travel not being used? This flight time allowed me to get back to Winnipeg quicker

Other comments or justifications: I paid for the flights which. After speaking to the Ethics Commissioner I now understand filing this form is probably still required when I pay fair market value for flights. To be clear there was only a return flight here. The form does not allow me to disclose one-way travel so I listed the departure date as the return date so I could submit this. There was only a "return flight."
