Accepted Date: 2025/03/28

The following information was provided to Ethics Commissioner after the travel was taken

Departure Date: 2024/08/16

Return Date: 2024/08/16

Departure location: Churchill Manitoba

Destinations: Winnipeg Manitoba

Name of person or organization providing the travel: Arctic Gateway Group

Reason for travel: Ministerial announcement, first shipment of ore from Port of Churchill

Are alternative methods of travel available? Yes

Why are the alternative methods of travel not being used? Commerical flight was used to go up to Churchill. AGG arranged for the large delegation to return to Winnipeg together based on availabililty of commercial flight times.

Other comments or justifications: My department was invoiced by AGG for the flight and the price was fair market value. I have spoken to the Ethics Commissioner and better understand the requirements of reporting charter flights. I am pleased to correct this oversight.
